British Elbow & Shoulder Society

31st Annual Scientific Meeting

Wednesday 19th June - Friday 21st June 2019

at Harrogate Convention Centre

Leeds@Harrogate

BESS looks forward to welcoming old friends from our industry to join us in **Harrogate**. We also hope to attract new partners who will see the benefit of showing their products to the largest annual gathering of shoulder and elbow healthcare professionals in the UK and Eire.

Harrogate is a Victorian spa town and rural district that sits in the heart of Yorkshire and contains the medieval city of Ripon, a designated Area of Outstanding Natural Beauty.

From big-name, trusted hotel chains, to country houses and the great British Guest House, **Harrogate** has accommodation for every taste and budget, including large block-bookings for major conferences and exhibitions.

Most of the town's 2000-plus beds are within a short walk of **Harrogate Convention Centre** and we are directly connected to 320 rooms thanks to the integrated Premier Inn and Crowne Plaza
